Preseason tours are as much about marketing and money as they are form and fitness, and Stilitano has established himself as the go-to person in this field. The International Champions Cup, for which ESPN is a rights holder, is an annual, multicontinent event that features the world's biggest clubs and puts on events such as this month's Miami *Clasico* between Barcelona and Real Madrid. And might it become more important? In 2016, Stilitano made headlines when he suggested that the ICC could offer an alternative to the UEFA Champions League and feature games outside Europe.

47. Tite (Brazil manager)

He was called in to regenerate the *Selecao*, after the 2014 World Cup defeat to Germany and subsequent return of Carlos Dunga, and he's done exactly that. Brazil have won eight out of eight with Tite at the helm in the notoriously difficult South American World Cup qualifying tournament and became the first
